Introduction to HSE Community Games

The HSE Community Games is an independent voluntary organisation which operates in local communities throughout the island of Ireland, providing opportunities for young people to develop in a healthy and safe environment through experiencing a wide range of sporting, social and cultural activities. There are over 700 Areas across all four Provinces; representing approximately 200,000 participants, 15,000 volunteers and 1.3 million supporters taking part annually.

HSE Community Games organises activity at four levels; 1) Area, 2) County, 3) Provincial and 4) National level; catering for young people aged 6-16 years in an Annual Programme of Events with a strong emphasis on fun, participation and creating community spirit.

Adult Volunteer members of the HSE Community Games play an active role in organising all these activities. The social aspect is tremendously important and many volunteers have found the HSE Community Games an ideal way to meet and make new friends.

HSE Community Games Events

Throughout the thirty-two counties, HSE Community Games volunteers organise a wide range of sporting and cultural activities all year round. Annually, over 9,000 competitors participate in the National Finals held over three weekends (one in May and two in August) in AIT, Athlone, Co. Westmeath.

Every November, there is a National Area Awards Event held to honour and recognise the excellent work carried out by our volunteers and in February each year our AGM is held.

During the year many courses are held (Activities Tutor Courses, Foundation Leader Courses, Code of Ethics Courses, Child Protection Courses, First Aid Courses etc).

How to create/register a New Area?

Creating a new Area is simple, you just need to organise a small group of adults to give up some spare time as volunteers, who are from your local community and who want to offer new sporting, social and cultural opportunities for young people. Below is the step by step process to register a new Area and on the reverse you will find the contact numbers for each County Secretary. Alternatively contact National Development on 01-6251180 / development@communitygames.ie who will be happy to assist you with any queries relating to registering new Areas.

New Areas – Step by Step Registration Process

- Step 1:** Set up a committee of volunteers to plan and organize activity filling the following positions; Chairperson, Secretary, Treasurer.
- Step 2:** Outline on a map the exact boundary of the Area you wish to set up.
- Step 3:** Contact the County Secretary (details attached) and establish firstly that the Area you have outlined is not or partly affiliated to another Area nearby. If the Area was previously registered; the County Secretary will be able to provide the contact details of previous volunteers for you.
- Step 4:** Fill in an Area Registration Form (download from www.communitygames.ie) and submit to your County Secretary with the registration fee (covers all members in your Area with Insurance).
- Step 5:** All new Areas are encouraged to take up four activities in the first year, promote the new Community Games Area, recruit as many volunteers as possible, ensure that character references are carried out and that all new volunteers adhere to the Community Games Garda Vetting Policy. Plan the activities and events for the year, then have fun and enjoy!! Remember we are here to help! So please contact us for information or support!!

HSE Community Games List of Events 2011

National Finals - Weekend I 27th -29th May 2011

Each competitor must be under the age specified on July 31st in the year competitions are taking place.
