

Project Titles 2012

Under 11- *Create your own ideal country.*

The following aspects ***must be included*** in the presentation,

- ✚ The country's name- giving a meaningful reason for this reason.
- ✚ The national flag and a national emblem of the country; what do the different aspects represent
- ✚ Currency of the country.
- ✚ Language of the country, with examples of simple phrases within the language. (i.e. Hello, thank you, etc.)
- ✚ Create a fact sheet page for the imaginary country. This sheet may present a variety of information and figures that relate to the country.
- ✚ Write short interviews with people from different parts/cultures within the country.
- ✚ Participants can then include any other elements which they feel may be important in their imaginary country for example create graphs to show information related to the imaginary country (i.e. Populations of the largest cities).

Project Titles 2012

U13- *How can Ireland utilise its natural resources most effectively/efficiently?*

- ✚ Participants must present a project based on how Ireland can most effectively utilise our natural resources.
- ✚ Projects must refer to the utilisation of one or more of our natural resources in the most effective/efficient style so as to benefit both our economy and our environment.
- ✚ Findings can be presented in the form of written evidence/graphs etc. Supported by additional resources such as photographs.

Project Titles 2012
