To: Parents of children from Sixmilebridge-Kilmurry area

Dear parents,

We are recommencing activities now in preparation for the various Community Games events that will take place over the next eight months or so. Our area had another very successful year in 2011 and we would like to build on this for 2012 by increasing the number of participants in the many sports and activities in which we partake.

On the rear of this letter, you will find a schedule of events that will take place in the months ahead. Please do contact any of our committee members if you would like your child to try any of the activities listed. Please note our field-sports day will be held in early May and will be advertised in local press and by text messages. Further updates of upcoming events can be found on our website as detailed above.

Attached to this letter you will find a family membership form, which we would ask you to complete and return to any committee member at your convenience. Membership fees are maintained at low rates to encourage participation – the cost for the year is just €10 for a single child, or €20 for a family of two or more children. This covers insurance, affiliation fees, and competition entry costs for all events (but not including accommodation for those reaching national finals). Children for whom membership has not been paid will have to pay a fee of between €3 and €5 for each event/activity entered during the year (amount depends on the sport/activity). We feel the annual membership offers extremely good value, and we would encourage members to return the forms promptly and avoid incurring costs for each single or team activity that they might like to try.

Our committee members for 2012 are as follows:

Chairman :	Rob Stephen	rob.stephen@o2.ie	086 062 5765
Secretary:	Margaret O'Halloran	magsohalloran1@eircom.net	087 975 6197
Treasurer:	Kieran Keating	kkeating@fpsl.ie	087 234 6826

We look forward to your child's active participation in Community Games events in 2012 and we hope that he/she gets to enjoy the thrill of competing in the activities that he/she might choose.

Yours truly,

Rob Stephen,
Chairman,
Sixmilebridge - Kilmurry Community Games

General Information

- To be within an age group, child must be under the age specified on the 31st July 2012.
- Please visit web sites for further information or join us on Facebook to keep up to date.
- Generally, closing dates are two weeks prior to competition date.
- Please contact us in advance of the entry date to ensure we can get entry forms completed and in on time.
